28 College Campuses throughout the State of New York

Type of Project:

Digital Photogrammetric Mapping
Intergraph DGN File Format

Owner:

New York State
Construction Fund

Project Engineer & Manager:

Nussbaumer & Clark, Inc.
3556 Lake Shore Road
Buffalo, NY 14219-1494
Guy S. Gagliardi, P.L.S. (716) 827-8000

Completion Date: Spring 2001

Cost of Entire Project: Unknown

**Work For Which Firm Was Responsible:
\$250,000 Plus**

Nature of Firms Responsibility:

Land & Mapping Services teamed up with Nussbaumer & Clark, Inc. (N&C) to provide the State of New York with an up to date system wide facility map of all the existing college campuses. The completed mapping was turned over to N&C for the edition of

wetlands. Long term the mapping will form the basis of a system-wide GIS system.

Work For Which the Firm Was Responsible:

Color Aerial Photography
Color Obliques
Color Enlargements
Scanning Aerial Negatives
Analytical Aerial Triangulation
Digital Mapping at 1"=40' W/2" CI
